### COMMUNITY SERVICE HOURS!

**December 14-16, 21-23 6:00 – 8:00**

**Location: 3051 N. Parkdale Circle**

This drive-through tour is a unique community event honoring our Lord and highlighting our seniors through the sights & sounds of art, caroling, acting and a visit from Santa & Mrs. Claus!

- Set-up: Nov. 19 – Dec. 1
  - 4'x6' displays & Nativity (muscles!)
  - Curb lighting and luminaries
  - Lights in small trees
  - Display lighting
- Carolers during event (2.5 hours)
  - Small groups and families to **sing Christmas carols**, indoors and outdoors! For one hour, carolers (with capes, hats or scarves provided) create an old-fashioned look and familiar melody as they sing Christmas carols while cars drive-through the tour. Another hour is spent singing indoors, either caroling down the halls of the senior living community or in the lobby, concert style. After singing, there is a time to enjoy warm drinks and light snacks with the senior residents.
- Nativity actors (no speaking) during event (1.5 hours)
  - For one hour our actors will re-enact with Mary and Joseph by baby Jesus in the manger while the townspeople walk through the town with lanterns and other props, searching for treasure hunt trivia and treats to make the night an amazing experience! Afterwards, there is a time to enjoy warm drinks and light snacks with the senior residents.
- Break-down; Jan.1-Jan 5 - Need lots of muscles for this one!
