m&m Christmas poem

As you hold these candies in your hand
and turn them, you will see
the "M" becomes an "E" and
then a "3" and then a "W"

m M is for the manger where
the baby Jesus slept at night.

m E is for the East where
the star shone so bright.

m 3 is for the wiseman bearing
gifts with which they came.

m W is for worship. Hallelujah!
Praise his name!
