

Father, we come to you with heavy and concerned hearts for our friend whose body is wearing down from disease and infection. You know what is going on in their body as their Creator of this most miraculous machine.

And as their Lord, they know they can trust You with every detail. We thank You for their trust in You and their salvation in Christ Jesus. We thank You for Your Holy Spirit who brings incredible comfort and strength in their times of weakness.

We thank You for their testimony of Your faithfulness through each trial they have faced. We have witnessed them giving You glory and praise and honor of which You and You alone deserve. WE give You glory and praise and honor of which You and You alone deserve.

We all know that You have the power to heal and do a miracle in their life and we ask this of You, Lord. We've seen You work in miraculous ways in Your Word and in the lives of others we know. We thank You for using doctors and medicine to bring healing. We know that You've got this and we don't. We also know that if You choose not to heal at this time, we will still praise You as our Sovereign Lord. Your ways are higher than our ways.

We bank on Your promises, God. We put our trust in Your promises. Your promises are YES and AMEN. YES and assured because of Christ Jesus and AMEN to Your glory, God, for loving us so much that You sent us Your Son. Your promises are unchanging, unwavering, and unmovable. You will do what You say You will do. Your promises include a future with no pain, no tears, no death. Our hope is in You and Your promises, Lord. We know as Your children, our future is secure in You through our faith in Jesus Christ. Thank you for loving us so much.

As our dear friend and their family endure each difficult day and hour ahead, please grant them ALL the blessings of Your peace and Your presence and Your promises.

May they see and experience the everyday miracles of You working on their behalf at this time. Grant them relief from pain. Grant them precious moments with loved ones that only You could have orchestrated. Grant them rest for the journey. Grant them new mercies every morning. Show up for them in unimaginable ways that reveal Your COMPASSION, Your LOVE, and Your POWER at this hour.

We thank You and pray all of this in the ONLY powerful name there is, Jesus Christ. AMEN.
