

If you have been neutralized by a spirit of fear, remember that you have the power of the Holy Spirit within you! Imagine burning bright in your circle of influence with the love of Jesus and witnessing the spread of a holy fire! **Fan** the flame, my friend! There was a campfire song I sung growing up.

*It only takes a spark to get a fire going.*

*And soon all those around can warm up in its glowing;*

*That's how it is with God's Love, Once you've experienced it,*

*You spread His love to everyone. You want to pass it on.*
