averaging **515** each month

Received **155** **DONATIONS**  
from **75** different **DONORS**

*Thank you for all you have done to help take care of Mom, especially for the prayers and emotional support for me. You made a difference in a very difficult time. I could not have handled Mom's care without KSC's caregivers these last four months.*

*Thank you so much for helping my sister!! It takes such a weight off my shoulders to know she is being taken to her doctor's office by such sweet and caring people.*
